A Ministry of A Ministry of Trinity Church
and Abundant Life Christian Counseling

Perhaps the most rewarding and yet most frustrating relationship in our lives is the one with our spouse. No other relationship holds such promise for good or potential for pain. Even having a Christian marriage does not immunize us from the problems and pressures of the world. We struggle with the same issues that others do: communication, time management, money, sex, etc.

Mastering Your Marriage provides engaged and married couples with best practices and comprehensive tools to develop strong and divorce-proof marriages. This class is designed to be fun, as we look for ways to better understand ourselves, our partner, and our current or future marriage.

Because it is our desire to make Mastering Your Marriage as meaningful as possible, the following requirements will help maximize your experience. Each couple will be asked to:

- Attend at least six of the seven sessions in order to graduate.
- Complete a short homework assignment each week along with additional reading from our class book, *How We Love*
- Read a book together as a couple during the eight weeks and complete a book review.
- Commit to one TV free evening each week during the duration of the class.

Topics

Living by the Book | This first class will set the tone for the entire series by understanding God's design for our marriages.

Buttons, Hooks and Triggers | In this session we will focus on how insight into our past can be used to grow and enhance our marriage today.

Understanding & Appreciating Our Differences | Understanding and appreciating our differences will help them work to our advantage.

He Said / She Said | What did you say? We will examine and practice communication basics.

Ouch, That Hurt! | Looking at conflicts in our marriages, we will strive to make those hurts a place of healing.

Moving On | Finding ways as a couple to keep growing and learning beyond Mastering Your Marriage. Your relationship should be a shared adventure that gets better with each year.
