

Ministry Through Life Groups

Volunteer recruitment

Life Groups will be the first & best place to recruit volunteers and servants for Trinity Church Ministries.

Serving opportunities

Life Groups will have opportunities throughout the year to serve together, as a group, during our worship services. (parking, greeting, church-cleaning, set-up/tear down, welcome center, etc.)

Group-led Outreach

Life Groups are encouraged to engage in outreach efforts as a team throughout the year. (Feeding the homeless, Hospital visits, street evangelism, neighborhood clean up, etc.)

Group-Themed Events

Life Groups will be encouraged to help host Church-wide events and seminars geared towards those within that type. (Married, Parenting, Men, Women, Recovery, Etc.)

Inreach support

Life Groups will have the opportunity to help in our new guest follow-up and current member wellness checks.

Discipleship & Mentorship

Life Groups is the place where discipleship can form naturally and develop organically. Life Group leaders are not expected to carry out this task alone. They will be trained and encouraged to show those in their groups how to live a life of disciples that make disciples.
